FIRST READING OF ORDINANCES AND RESOLUTIONS

RESOLUTION NO. 5-2010

RESOLUTION NO. 5-2010. PRESENTED BY: ALL OF COUNCIL. SPONSORED BY: MR. AVANT. TITLE: COMMENDATION – VICKI MITCHELL. A RESOLUTION OF THE COUNCIL OF THE CITY OF BARBERTON TO HONOR AND GIVE PUBLIC RECOGNITION TO VICKI MITCHELL FOR HER TEN YEARS OF DEDICATED SERVICE TO THE CITY OF BARBERTON AS ADMINISTRATIVE ASSISTANT TO THE DIRECTOR OF PUBLIC SERVICE. It was moved by Mr. Avant, seconded by Mr. Anderson, that the rule as required by Section 5.10 of the Barberton City Charter be suspended. Mr. Palmer, Service Director, said he would like to take this opportunity to thank Vicki for ten great years. He said no one truly understands what it takes to be a good customer service person. He said his motto is that you treat everyone who comes through the door as the most important person in the world. Mr. Palmer said Vicki got it! He said it is a tough job because you are dealing with so many different things. He said Vicki did an outstanding job in managing that front office. Mr. Palmer said the customer service people he has talked to all love and respect Vicki and they will miss her. He said he and Vicki have watched each other raise their kids, so this is a sad day for him. He said he sees some great things in her future because she is a great person. Mr. Anderson said Vicki always handled his complaints very efficiently and they had wonderful conversations. He said one thing that remains the same is that the candy dish is still full and he will always remember her when he sees that. President Maurer called for the vote on suspension. All Members voted "yea." Motion carried. It was moved by Mr. Avant, seconded by Mr. Anderson, that **RESOLUTION NO. 5-2010 BE ADOPTED.** Mr. Suboticki said he would also like to thank Vicki for all of her hard work. He said he is sure she will miss the many pieces of paper he handed her every other day! Mr. Avant said this is not an easy resolution to give because we are going to miss Vicki. He said he knows she will not miss him, coming in again and again to see if certain streets were done. He said she always met him with a smile and was never too busy to talk to him and help him. Mr. Avant said he hopes Vicki will be back when the City gets back on its feet; however, if she is going to Florida, more power to her! President Maurer said he cannot tell Vicki how much this stinks. He said we do not know what is going to happen down the road, but he sincerely hopes that she will be making a reappearance in our ranks. He said this just goes to show you how difficult times are, here in the City, when you have to lose someone like Vicki, a quality employee. President Maurer said we are going to miss her ... a lot. Mayor Genet said what makes this even more difficult is that Vicki has been a friend of his since she began working here in the city ten years ago. He said when people would

be down for one reason or another, you could go into Vicki's office, and she was always very pleasant. He said people would call her and she was always there for them, forwarding the jobs and complaints, in a very positive manner. Mayor Genet said Vicki was the first person to greet the citizens when they entered the office. He said she represented the City, and she represented it very well. He said the City is going to miss her. President Maurer called for the vote on adoption. All Members voted "yea." Motion carried. It was moved by Mr. Avant, seconded by Mr. Anderson, to recess in order to give Mrs. Mitchell her resolution.

Recessed: 7:47 p.m.

Reconvened: 7:50 p.m.

Mrs. Mitchell said she would like to thank everyone for this commendation. She said the last ten years have been very special to her. She said the experiences that she has been able to share and the friendships she has formed will not stop; she will take them with her. She said she enjoyed working in the Service Department, talking to the senior citizens, many of them just wanting to talk. She said it has been an exciting ten years and she has some wonderful memories.

MISCELLANEOUS AND UNFINISHED BUSINESS

President Maurer said Financial Disclosure Statements from the Ethics Commission are due on April 15th.

President Maurer said he would like to schedule a retreat to get a handle on our situation, to do some brainstorming, and to let the Administration know where we, as a Council, want to take the City in the upcoming years, especially in light of the unfortunate financial news coming on the horizon.

President Maurer said we are going to be called on for a lot more things because we are losing some very valuable people, with Mrs. Mitchell being a classic example. He said we may not get the quick responses we are used to getting. He said we need to step up to the plate and be the good ambassadors to the City that we have always been.

COMMUNICATION FROM THE MAYOR

Mayor Genet said he would like to thank Mr. Anderson for bringing to his attention Kevin Murphy, an individual who has wanted to get involved in the City for quite awhile. He said he feels it was a good selection and that he will do a good job on the Design Review Board.

Mayor Genet said the Mayor Corps of Volunteers is in town for the Income Tax Assistance Program. He said he is amazed by these young adults, ranging in age from 18 to 24. He said these individuals sign up for this AmeriCorps Program to help pay for college tuition. He said he wants to thank Phil Canfora for giving these individuals forty movie passes and Jeremy Clemetson from East of Chicago Pizza for providing them with some pizzas. He said he is reaching out to the business owners in the area to help this group in any way we can and to welcome them to the City of Barberton.

Mayor Genet said everyone should have received an editorial that was written last Friday (regarding the health department). He said it was a case in point that he believes in and one that we can make happen to enhance the services to the residents of this community while spending the taxpayers’ dollars efficiently.

Mayor Genet said they continue to work on the budget and it continues to be a challenge. He said each department has been asked to cut its budget. He said in order to get the Minimum Fund Balance Policy, almost 1.8 million dollars has to be cut. He said getting to the “no deficit

spending” is a lot less; however, it does not leave a lot for the end of the year balance, which is not healthy for the city.

Mayor Genet said he would like to meet with the Health Committee briefly in the Jury Room after the meeting.

Mayor Genet said before this meeting is adjourned, he would like Council to go into executive session to give an update on contract negotiations.

EXECUTIVE SESSION:

President Maurer said he would entertain a motion to adjourn into Executive Session to discuss the update of contract negotiations. It was moved by Mr. Avant, seconded by Mr. Judge, to adjourn into Executive Session. Mr. Anderson, Mr. Avant, Mr. Judge, Mr. Lysenko, Mr. Megyes, Mr. Soyars, Mr. Suboticki, and Mr. Wagner voted “yea.” Motion carried.

Adjourned into Executive Session at 8:16 p.m.

It was moved by Mr. Avant, seconded by Mr. Judge, to adjourn the Executive Session and to continue with the Regular Legislative Meeting. All Members voted “yea.” Motion carried.
