## **MISCELLANEOUS AND UNFINISHED BUSINESS**

Mr. Jaber wanted to thank Mr. Eddie Lawson, the Street Department, Mr. Greg Tracy and the Safety Director Mrs. Daugherty for working as a team and making it happen. There was a block party this weekend and it worked out great.

## **COMMUNICATION FROM THE MAYOR**

The mayor wanted to thank everyone who came out for Change for Change to benefit the Merchant's Association. The totals are not in yet but there was a great turn out. We also had a ribbon cutting for a new artist at White Rabbit Gallery.

Our City Trick or Treat is this weekend from 5pm to 7pm on Saturday. We are asking everyone to be safe. There were safety measures put out on social media by the Summit County Health Department.

We continue to track ARPA rules and regulations. Some of these programs are in force at the State level that we can make use of through their ARPA allocation which will be introduced before the end of the year. There are bills before the Senate which can be passed as is or could change the allocations. There is no scheduled vote at this time.

The Street Paving Program is finishing up and we are excited that we were able to add five (5) additional streets. These include Central Avenue, Silver Street, Harold Street and 28<sup>th</sup> Street Northwest. Also included was Fairland Road which we worked with the cities of Norton and New Franklin as it transverses through all three municipalities.

We will again be collecting non-perishables and can goods through the end of January for the benefit of BACM and the Salvation Army. We have been doing this for a number of years to help the people in need in our community.

Lastly, we want to wish Good Luck to our Barberton Magics Football Team as they enter the playoffs. The first two rounds are here at Sharkey Stadium.

## **CLOSING REMARKS**

Mrs. Angeloff stated she is excited about the playoffs coming to Barberton so that people can see our beautiful stadium, the turf that we put in, and maybe change some people's opinion of the Magic City.

Mr. Heitic stated that he hopes that the football playoffs go far enough that President Megyes leaf pickup program turns into a snow shoveling job.

It was moved by Mrs. Debevec and seconded by Mr. Heitic to adjourn. All voting "Aye" and none apposed.

Meeting Adjourned: 7:46 pm.
