

2023 FALL LEAF REMOVAL

The City of Barberton will begin picking up loose leaves beginning October 30, 2023 and will continue through each ward as scheduled. To facilitate pickup, leaves must be raked into a row and placed on the street no more than two (2) feet from the curb, or the edge of the street, without obstructing traffic. Please note the dates listed below for each ward and please keep in mind that as the weather gets worse and the leaves fall faster, it may take longer for us to return to your area.

The leaves must be out prior to the first day of the week we are scheduled to be in your ward. Please do not wait until you see the crews/equipment in your ward.

WARD 4 October 30th – November 3rd

WARD 1 November 6th – November 10th

WARD 5 November 13th – November 17th

WARD 2 November 20th – November 24th

WARD 3 November 27th – December 1st

WARD 6 December 4th – December 8th

* (November 10th, Veteran's Day Observed, no leaf pickup)

** (November 23rd & 24th, Thanksgiving Holiday, no leaf pickup)

Please note that an operator will be assigned to 2nd shift to collect leaves between 3:30pm and 11:30pm Sunday through Thursday. This will follow the ward schedule listed above.

For residents that wish to have immediate service, we offer the following options:

Bagged leaves may be brought to the following drop off locations: Newton Park (lower parking lot along Yonker St), Edgewood Park (27th St NW parking lot), and Tuscora Park. If you wish to re-use your bags you may dump your leaves in the "loose pile" or just place the bagged leaves in the appropriate marked area. Signs will be posted.

**LEAF PICKUP AFTER THE REGULAR SCHEDULE WILL
CONTINUE WEATHER PERMITTING**
