#### **Barberton Announces 2026 Street Resurfacing Program**

The City of Barberton is pleased to announce that this year's Street Resurfacing Program is set to commence mid to late summer. Barbicas Construction Company was selected by a sealed public bid to perform the asphalt resurfacing portion of the program. This contractor was the lowest bidder related to their method of resurfacing and was approved by Barberton City Council.

This year's program focuses on the resurfacing of residential streets. A number of variables were considered during street selection. Recommendations from Council representatives, residents, staff, and the City's engineering consultant, GPD Group, were all considered.

The city remains committed to stretching resurfacing dollars as far as possible so improvements can be made throughout all neighborhoods. Thanks to the continued support of residents, especially through the passage of Issue 8 in 2013, the City has been able to resurface nearly half of Barberton's roads over the past 13 years.

Areas included in the 2026 Asphalt Resurfacing Program:

|                             |   |
|-----------------------------|---|
| <b>Romig Rd</b>             | <b>State St to Glenn St</b>                         |
